

A TRADITION OF EXCELLENCE

OUR MISSION

Our goal is to establish lasting relationships with our customers by pursuing excellence in all we do.

Weldstar provides superior products with unparalleled service and support.

PRODUCT OFFERING

- Welding Equipment & Supplies
- Industrial, Specialty, and Scientific Gases
- Automation
- Industrial Tools & Supplies
- Nuclear Certified Filler Metal
- Safety Supplies

MARKETS SERVICED

- Metal and steel fabrication
- Oil and gas production
- Nuclear power plants
- Petrochemical refineries
- Fossil fuel facilities
- Heavy equipment manufacturing
- Automotive
- ASME pressure vessels
- Pipe and tube
- Water treatment
- Scientific laboratories
- EPA monitoring
- Other construction and mechanical trades

TRAINING

- Abrasives - Selection and Safety
- A.W.S. - Codes and Classifications
- Basic Welding Processes
- Cylinder Handling and Regulator Safety
- Flame Cutting/Plasma Training
- Laser Gas Delivery Systems
- Oxy-Fuel Safety
- Welding Safety

SUPPLY

- Over 109,000 sq. ft. of inventory
- Managed Inventory Programs
- Cylinder Control

IWDC MEMBER

- 190 + Global Suppliers
- 620 + Locations
- 1.3 + Billion Retail Sales
- Over 5 Million Cylinders

STAFF & SERVICES

- Abrasive Selection Specialist
- Accredited Welding Engineer
- Certified Weld Inspectors
- Cryogenic Services
- Gas Delivery System Solutions
- Rental Equipment
- Repair Department
- Welding Filler Metal Consultants
- Welding Safety Trainers
- Welding Process Trainers

ADDITIONAL FACTS

- Only independent distributor of Nuclear filler material in the United States since the 1960's.
